

**STATEMENT OF PURPOSE****RS21067**

The use of tanning beds or similar devices by minors in the state of Idaho and across the United States have led to a rising epidemic of skin cancer and other dermatology related health issues.

This legislation will prohibit the use of phototherapy, tanning, and ultraviolet tanning devices to any person in the state of Idaho under the age of 18. People who choose to violate the provisions set by this bill can be charged guilty of a misdemeanor and fined up to \$100. A subsequent violation within a one year period will result in a \$300 fine. All other subsequent violations will result in a fine of not less than \$300 and not more than \$1,000 to the person found guilty of the repeat offense.
